DEPARTMENT OF GEOGRAPHY

PROFILE

Introduction:

The Department of Geography was Established in the year-2000 . The department is continuously engaged in organizing various activities such as study tours , Study forums program ,village survey , webinars ,seminars ,wallpaper presentation on geography day . The department has formed soil testing ,Geography exhibition ,slide shows ,Guest lectures, debate competition, celebration of Geography day and various such programmers to enrich the knowledge of the students . Research facilities are provided to the student coming from remote area. Department Library is enriched with reference materials, such as books ,journals, reference book and awarded Thesis. E-Journals in Geography department are Available and Internet facility helps the students to access research Journals free of cost. The Dept. is well recognized for its academic work and research activities. Its growing reputation in the field is well acknowledged by the fact that Dept. has obtained the University Grant Commission assistance to strengthen the ongoing research work by ICSSR scheme. Two minor research projects are completed under UGC- Pune and ICSSR –Mumbai . The entire faculty member plays active role in research which Counted by publication of more than research paper in peer Reviewed National & International Research Journals , to put forth achievement proudly .We have (Five) Research scholars who have been awarded with doctorate degree.

The Geography department organized in national and state level seminars, webinars and Guest lectures ,Yoga Activities, production of vermin compost also various activities run by our department .The department is well equipped with modern equipment's i.e. Telescope and models and charts .

Our Department Goals :-

Students will learn how human ,physical ,and environmental components of the world interact

Students will learn the Regional Geography of the world

Students will learn geographic theory , practical's and its use in understanding real world process .

Missions :-

The mission of the Department of Geography is to provide its students with educational experiences of the highest quality, to conduct vital research that benefits society, and to serve our communities, from the local to the international.

We are committed to outstanding teaching and scholarly activities within the framework of academic freedom, the diversity of people and ideas, a spirit of inclusiveness, and a global perspective.

Our Department. Aims & Objective

- 1 To motivate students for higher education.
- 2 To inspire students for research activities in all fields.
- 3.To make enable students for publications in reputed journals.
4. To liberate students mind from superstition and blind faith.
5. To encourages students for community work such as health & Hygiene.
- 6 To make enable students for SET/NET/GATE examination.
7. To generate scientific attitude amongst students through various means.

(D) Courses Offered
