<b>15. Multidisciplinary / interdisciplinary</b>	
<p><b>MULTIDISCIPLINARY/INTERDISCIPLINARY:</b> The affiliating university has not introduced the new education policy for the year 2021-22 in the affiliated colleges. Hence the college was not involved in these multidisciplinary and interdisciplinary. The New Educational Policy 2020 insists on a Multidisciplinary approach in Higher Education to broaden the scope of Higher Education through diversified fields of study and ensure flexibility and autonomy for the learner in selecting the field of study. After the university's permission, the college implements multidisciplinary approaches in many ways, providing online courses from various disciplines under the CBCS system, vocational programs in several fields of study, and elective courses from multiple disciplines. <b>Multidisciplinary Approach:</b> The college tries to depict a holistic understanding of the issue or scenario through multiple disciplines. As in the interdisciplinary approach, the college uses the concepts and practices in various fields to understand the situation clearly. A multidisciplinary approach makes an individual approach a problem through different perspectives with the help of allied disciplines.</p>	
<b>16. Academic bank of credits (ABC):</b>	
<p><b>Credit Bank:</b> The college maintains the credit bank system with the approval of the affiliating university. It is a national-level facility, a bank for academic purposes with the students as academic account holders. It provides various services, including credit verification, credit accumulation, credit redemption, and authentication of an academic award. With their University's approval, all colleges must register with the ABC and monitor the development and operationalization of the ABC program at the college level. The college encourages and makes it possible for all the students to open an academic bank account with ABC to commute credits to award any degree, diploma, or certificate.</p>	
<b>17. Skill development:</b>	

**SKILL DEVELOPMENT:** Dr. Babasaheb Ambedkar Marathwada University has introduced a Choice Based Credit System. The students need to earn two credits during the first and second semesters by completing two skill development and value-added courses. Therefore, Skills and knowledge become the fundamental driving forces for enhancing the students' skills and knowledge. The UGC launched the community colleges scheme, B.Voc. Degree program, and Deen Dayal Upadhyay centers for knowledge acquisition and upgradation of skilled human abilities and livelihood to expand the scope of vocational education and provide vertical mobility to the students. The government of India was taking note of the requirement for skill development among students and focused on the national education policy of 2020. Soft Skills Development: Soft Skills courses comprehensively understand the actual perspective of applying skills as expected in the present work scenario. Therefore, examples, case studies, and exercises are tailor-made to suit the needs of students.

### **18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

**APPROPRIATE INTEGRATION OF THE INDIAN KNOWLEDGE SYSTEM:** The National Curriculum Framework lists 25 areas Identified for the Focus Group Papers, and Knowledge of India is part of the Cross-cutting theme. Draft Position papers have been prepared at the National and State level. To incorporate these elements scientifically, the IKS division of the Higher Education Department has already established 13 IKS centers in different parts of India. The IKS centers have been selected for research, education, and outreach activities through Research Programs across the country under broad categories of the subject such as Science, Engineering, Technology, Health and wellness through Ayurveda, Yoga, Naturopathy, Psychology, Linguistics, Phonetics, Epistemology, Language technology, Management, Administration, Law, Governance, Literature, Education, Philosophy, Indian Classical Music, Drama arts & Aesthetics and Folk culture, Environment and ecology and their preservation, Intellectual Property Rights (IPR) in Indian traditions, Indian Traditional Knowledge Base.

### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

**FOCUS ON OUTCOME-BASED EDUCATION:** The outcome-based curriculum is one of the most significant advances in recent years of the Indian Education System. The traditional education system is losing its importance in the age of globalization, and it becomes essential to work with rapidly developing technologies that expect supplementary skills and efforts. The college aims to produce students with the ability to cope with recent trends and technologies. It becomes mandatory to adapt and become familiar with conventional Education to Outcome-Based Education (OBE) to fulfill its needs. Keywords of Bloom's Taxonomy are COs, POs, PSOs, and OBE. Introduction: Outcome-Based Education is a paradigm of Learning which focuses on outcomes or goals rather than performance. The educators set some plans for

the student, who must acquire the knowledge have to appear for the exam at the end of the course. The college assesses the students' achievements based on tests, assignments, practicals, and projects. Their results will showcase the student's achievement or performance in that specific course.

## 20.Distance education/online education:

Distance education/online education: The college has an affiliated institute, and the affiliating university does not allow the college to start distance education or online education.

<b>1.3 - Curriculum Enrichment</b>	

### 1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The college demonstrates a holistic approach by integrating crosscutting issues into all the curricular programs for rural youth. It enriches the educational experience, preparing students for a multifaceted world while nurturing personal, professional, and ethical growth.

**Professional Ethics:** Along with curriculum delivery, HEI includes modules that instill ethical values, preparing students to navigate complex professional scenarios with integrity.

**Gender Sensitivity:** Courses address gender equality, empowering students to challenge stereotypes and contribute to inclusive society.

**Human Values:** Emphasis on human values fosters empathy, compassion, and social responsibility. Seminars and Activities help develop these values in young individuals.

**Environment Awareness:** Environmental sustainability is promoted through lessons on conservation, ecological balance, and responsible practices. Students are involved in awareness campaigns and tree plantation activities.

**Sustainable Practices:** Students are introduced to sustainable development concepts, encouraging to explore solutions for present and future challenges.

Crosscutting issues are linked to real-world examples, making learning relevant and applicable to students' lives. Exposure to these issues nurtures critical thinking as students analyze their impact on society and develop informed perspectives.

**Empowerment:** Inclusivity and ethics empower students to advocate for positive change in their communities and workplaces.

**Holistic Development:** Integration of these issues ensures a well-rounded education, molding students into responsible citizens and professionals.

**Ethical Decision-making:** By addressing these cross-cutting themes, the institution equips rural youth with the ethical framework and knowledge to make informed decisions that positively impact society, the environment, and their careers.

#### 4.2 - Library as a Learning Resource

##### 4.2.1 - Library is automated using Integrated Library Management System (ILMS)

###### Response :

The college embraces modernization in its educational offerings by employing an Integrated Library Management System (ILMS), ensuring efficient management and enhanced accessibility to resources for rural youth enrolled in B.A., B.Com., and B.Sc. programs.

**Efficient Resource Management:** The ILMS streamlines the cataloguing, classifying, and indexing of books, journals, and other materials, optimizing resource utilization.

**Online Catalog:** The system offers an online catalogue accessible to students and faculty, enabling easy and quick searches for desired resources.

**24/7 Accessibility:** With online access, students can explore the library's resources anytime, promoting self-directed learning and research.

**Digital Resources:** ILMS also manages digital resources such as e-books, e-journals, and databases, providing a comprehensive knowledge repository.

**Check-out and Returns:** The system facilitates the smooth check-out and return of materials, minimizing administrative hassle.

**Reserve Services:** Students can reserve and renew materials online, ensuring equal access to popular resources.

**User Profiles:** The ILMS maintains individual profiles, allowing personalized recommendations and tracking reading history.

**Real-time Updates:** Updates on new acquisitions, events, and library news are easily communicated to users through the system.

**Data Analytics:** The system generates reports on library usage, aiding informed decision-making for resource allocation.

**Enhanced Learning:** ILMS empowers students to delve deeper into their subjects, promoting research, critical thinking, and academic excellence.

### 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The college follows a meticulously Performance Appraisal System for faculty members laid down by the UGC, the Government of Maharashtra, and Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. The college follows UGC Regulations on Minimum Qualifications for Appointment of Teachers in the colleges and Measures for the Maintenance of Standards in Higher Education-2010" (Regulation No. F.3-1/2009 dated June 30, 2010), together with all amendments made therein from time to time for teaching staff.

The individual teacher's performance is assessed annually after completion of the academic year of service through their confidential reports. As per the UGC regulations, they got a promotion from assistant professor to associate professor and associate professor to professor. The university and the Government authorities have organized the camps to comply with the task. In the college, eligible teachers have been placed in associate and professor grades during the assessment period. The salient features of the performance appraisal system are as follows.

The performance of individual faculty members is assessed according to the Annual Self-Assessment for the Performance Based Appraisal System (PBAS). Promotions are based on the PBAS proforma for UGC Career Advancement Scheme (CAS) based on the API score. The college undertakes a wide range of activities besides academics, for which faculty members are assigned additional duties and responsibilities, which are primarily voluntary. The faculty members are informed well in advance of their due promotion.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The Internal Quality Assurance Cell is established in the college, and through it, quality evaluation, promotion, and sustenance initiatives are introduced in each curricular, co-curricular, and extra-curricular activity. The IQAC has contributed significantly to implementing quality assurance strategies and processes in the college during the assessment period.

Their details are given below.

1. The IQAC has guided and supported all the departments to strengthen and encourage conducting quality initiatives activities throughout the year.
2. The IQAC has monitored the teaching-learning process and achieved good results in the activities and examination results.
3. The IQAC has guided preparing the self-appraisal form for Academic Performance Indicators from the eligible faculty members.

4. The IQAC has put the positive efforts and sanctioned the faculty members' placement from associate professors to professor grades from the University experts and Government authorities.

5. The IQAC has conducted SWOC analysis and comparisons with the previous year's report. The necessary actions for strengthening it are introduced.

6. The IQAC has informed the heads of the departments to prepare departmental development plans, get them approved by the principal, and take necessary actions for its success.

7. The IQAC has motivated the faculty members and the students to participate in the seminars and symposiums. A good response was received from the faculty members who have participated in refresher and orientation programs during the assessment period.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The college has constituted several internal committees for the smooth conduct of the academic session. The IQAC is one of the vital committees; the teaching-learning process is monitored regularly. IQAC periodically reviews the teaching-learning process, structures & methodologies of operations, and learning outcomes:

The POs, PSOs, and COs attainment is measured every session. For low attained courses, the proper action is planned, and efforts are made to improve the achievements.

The IQAC improves the teaching-learning process through standard academic practices. These educational practices include:

1. To prepare an Academic calendar in tune with the university Academic Calendar at the beginning of the academic session.
2. To prepare Roll Calls for all the classes, accordingly form the practical batches subject-wise, and provide attendance sheets to the faculty members.
3. To encourage the faculty members to take daily attendance of the students and submit their attendance reports to respective departments heads at the end of the month.
4. To distribute subject and department teaching workload among the faculty members.
5. To prepare the master timetable of the college and allocate the classrooms and laboratories as per the requirement of the course.

6. To introduce the Mentor-Mentee system, solve the grievances, and motivate the students to participate in the extension activities.
7. To provide equipment for conducting lectures online.

## **INSTITUTIONAL VALUES AND BEST PRACTICES**

### **7.1 - Institutional Values and Social Responsibilities**

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Equal opportunities are provided to all individuals irrespective of gender, race, caste, color, creed, language, religion, political opinion, national or social origin, property, birth, or other. Safety, security, and well-being, along with gender equity and a friendly working atmosphere, are the issues of prime concern.

Gender sensitivity is an inherent value in the cultural ethos of the college and its neighboring community, as is evident by the following facilities.

**Safety and Security:** Well-trained and vigilant women security guards stationed across the campus. Security checkpoints at all campus entries and exits. Extensive surveillance network with 24x7. Strict implementation of Anti-Ragging, Anti-Smoking and Mobile Free Campus.

Awareness campaigns on women safety and gender sensitivity through street plays, rallies, and camps by NSS volunteers. Formal and informal avenues for counselling male and female students and staff for academic and other issues/problems.

Grievance Redressal Committees for staff and students. The college shows gender sensitivity in providing various facilities to the students, like providing equal platforms, equal opportunities, and education to girls. The college is a co-education institution and emphasizes giving importance to non-discrimination and equality. The Women's Empowerment Cell, Equal Opportunity Cell, Anti-ragging Committee, Internal Complaints Committee, and Grievance Redressal Cell are worked together to ensure that the female staff and girl students are treated in an honorable and respectable manner within the college environment.
